Canada Border Services Agency,

As representatives of over 7,500 students at Capilano College, We are writing to express our outrage at the unjust arrest and detention of Alison Bodine. Alison has done nothing wrong, and is clearly being framed up and targeted. Alison is known throughout Vancouver BC and Canada for her antiwar organizing and social justice activities. Prior to the search of Alison's vehicle, which contained many political leaflets, posters, newspapers and pamphlets, Alison had never been denied entry into Canada.

We are calling on Canada Border Services Agency to **DROP ANY AND ALL CHARGES AGAINST ALISON**, and to restore her full rights to travel between the US and Canada. We will not accept this harassment of activists. We demand our full, democratic rights to be respected.

Sincerely,

Capilano Students' Union
