The Honourable Stockwell Day,  
Minister of Public Safety  
House of Commons  
Ottawa, Canada K1A 0A6

Dear Minister:

We, the members of Jews for a Just Peace in Vancouver, BC, write to express that we are deeply perturbed over the case of Alison Bodine. It is clear that this American anti-war activist has been targeted exclusively for her political activity and is now facing undemocratic consequences for expressing her non-violent political views publically.

We call on the Government of Canada through the Canadian Border Services Agency to immediately return all possessions including her identification and to dismiss any charges that have been unjustly lodged against Alison Bodine. Collectively we feel that this case appears to be an example of unlawful government repression of a peaceful, justice-seeking individual. We respectfully urge you to act in a democratic and accountable fashion in quickly restoring justice in the case of Alison Bodine.

We appreciate your attention to this matter.

Sincerely,

Lawrence Boxall  
On behalf of Jews for a Just Peace, Vancouver
