## Report from Libya: Impact of U.S. war in Africa

Hear former U.S. Congresswoman

### Cynthia McKinney

who recently returned from leading a delegation to Libya in opposition to the U.S. criminal destruction of Libya. Includes new VIDEO footage of U.S. war on Libya.

19 city-tour in the U.S. and Canada, organized by International Action Center ([www.iacenter.org](http://www.iacenter.org)) and endorsed by Mobilization Against War and Occupation (MAWO) in coordination with many antiwar and community organizations from July 7 to August 27, 2011. This is an educational and fund-raising tour to help recover the cost of Cynthia McKinney's fact-finding delegation to Libya and to educate on the true cost of U.S. wars.

*"One thing is clear:  
whether in Pakistan,  
Somalia, Sudan, Libya,  
Yemen, Afghanistan,  
Iraq, Iran, or Venezuela,  
bombing people and  
saber rattling certainly  
don't win us any  
friends."*
