For the last five years Chelsea Manning has been behind bars in a U.S. prison. Her crime? Being a U.S. soldier who blew the whistle on U.S. war crimes in Iraq and Afghanistan. Even while facing a 35 year sentence, she has continued to speak out against injustice and to defend her actions.

Donations collected at the event will go towards Chelsea Manning's Defense Fund, which is currently in urgent need of \$45,000 for her upcoming appeal before the US Army Court of Criminal Appeals.
